SUMMARY

Full Stack software developer with a background in Business Management. I work with JavaScript, TypeScript, and React, bringing corporate experience in C#/.NET (dti digital) and AI/Python integrations. At Senatec Jr. (junior enterprise), I coordinated projects and led the development team, translating client needs into software products. Co-founder of Coffe-e, a project born out of a Startup Weekend.

TECHNICAL SKILLS

- **Languages:** HTML, CSS, JavaScript, TypeScript, C#, Python
- **Frameworks and Libraries:** .NET Core, Node.js, React.js, Vue.js, Vuetify
- **Tools and Databases:** GenAI (LLM integrations), MySQL, MongoDB, Git, Vite

PROFESSIONAL EXPERIENCE

Director of Technology — Senatec Junior (Junior Enterprise) — Pelotas, RS
Jan/2025 – Mar/2026

- Led the development team and took responsibility for delivering client projects.
- Acted as Product Owner (PO): conducted client meetings to understand business pain points, gathered requirements, and prioritized the backlog.

Full Stack Developer (Intern) — DTI Sistemas (dti digital) — Belo Horizonte, MG (Remote)
Nov/2024 – Oct/2025

- Worked across the end-to-end software development life cycle (requirements gathering, process modeling and software modeling) on a corporate debt collection and renegotiation system used by multiple educational institutions.
- Maintained and evolved the system with C# and .NET Core.

Co-Founder & Developer — Coffe-e — Pelotas, RS
Dec/2023 – Mar/2025

- A project born from a Startup Weekend, developed alongside other developers.
- Responsible for the technical structuring and platform development, from data modeling to validating features with users.

Developer & Project Coordinator — Senatec Junior (Junior Enterprise) — Pelotas, RS
Jun/2024 – Dec/2024

- Full Stack development (JavaScript/TypeScript) and database modeling.
- Project coordination: managed deadlines, distributed tasks among the team, and tracked deliverables.

EDUCATION

- Systems Analysis and Development — UniSENAC, Pelotas, RS — Expected Graduation: Dec/2026
- Full Stack Web Developer Program — Trybe — 2023
- Postgraduate Specialization (Lato Sensu) in Business Management — UniSENAC, Pelotas, RS — 2015
- Bachelor's Degree in Business Administration — Anhanguera, Pelotas — 2013

LANGUAGES

- Portuguese — Native
- English: Proficient (C2, EF SET 71/100)
